**FUNERAL WISHES GUIDE**

## WHY FUNERAL WISHES?

We have created this guide with you in mind.  
A space that you can note down all of your wishes  
when it comes to planning ahead for your funeral.

We know it can be an incredible difficult time, even just to think about what you want or even what you don't want as well as ensuring your family are free from making stressful decisions at the time of need.

Having a plan in place can bring clarity to ensure all of your wishes are carried out just as you wish, creating peace of mind for both you and your family.

## STEP BY STEP GUIDE

We have put together questions to help make it easier as you think about all of your desired wishes, including the general questions associated with a funeral as well as allowing you to have the space to note down anything additional that you wish for.

## WE ARE HERE TO HELP

We can guide you through this process in a calming and comfortable environment ensuring we can help alleviate any worry you may have at completing your wishes on your own.

We can help answer any questions you may have and advice you accordingly that allows you to create all the wishes you desire for at the time of need and taking away the burden.
